CHRISTOS TSOURIS

Erasmus+ Job-shadowing

22-03-2026 - 27-03-2026

STATUS AT THE SENDING ORGANISATION
Special Education Teacher

HOST ORGANISATION(S)	HOST COUNTRY AND CITY	HOST EMAIL AND PHONE
Scoala Gimnaziala Speciala Maria Montessori	Romania, Bacau	mmontessori_bacau@yahoo.com, 0040234584370

FIELD	MODE
School Education	Physical mobility

Learning outcomes

EUROPEAN SKILLS, COMPETENCES, AND OCCUPATIONS (ESCO)

LEARNING OUTCOME 1: Basics of designing and running outdoor learning
Focus: foundational pedagogical planning and adaptation 1.Design educational activities – plan structured learning experiences adapted to outdoor environments 2.Apply teaching strategies – use appropriate pedagogical approaches for experiential and outdoor learning 3.Adapt teaching to learners' needs – adjust activities to the abilities of learners with special educational needs

LEARNING OUTCOME 2: Improving programme design using new methods
Focus: improvement, innovation, evaluation 1.Innovate in education and training – integrate new methods, tools, and experiential techniques 2.Implement inclusive education strategies – ensure participation of learners with diverse abilities in outdoor contexts 3.Evaluate learning activities – reflect on and improve programmes based on observation and feedback

LEARNING OUTCOME 3: Creating sustainable activities for eco awareness
Focus: environmental education and sustainability 1.Promote environmental awareness – foster understanding of ecological responsibility through educational activities 2.Integrate sustainability principles in education – embed environmental sustainability into learning programmes 3.Encourage responsible behaviour – support learners in developing environmentally responsible attitudes and actions

Activities and tasks

ACTIVITY / TASK
The participant observed educators demonstrating innovative methods of working with children with and without developmental difficulties and disabilities, both indoors and outdoors.

ACTIVITY / TASK
The participant shared their experiences and knowledge about working in the field, and discussed the ways of working that they had observed.

ACTIVITY / TASK
The participant provided feedback and shared their impressions of what they had observed and learnt while watching activities in a variety of contexts.

Evaluation, recognition and reintegration

EVALUATION OF LEARNING OUTCOMES

EVALUATION FORMAT AND PROCEDURES
Daily reflective discussions between participant and host mentor. Completion of a short learning diary documenting observed outdoor activities and inclusion strategies. Final evaluation meeting at the host organisation at the end of the week. Participant self-assessment completed after return to the sending organisation. Submission of a report to the National Agency in the required format.

Europass Mobility is a standard European document which records the results of a period that a person has spent abroad for learning purposes.
© European Union, 2005-2025 | https://europa.eu/europass/

EVALUATION CRITERIA

Level of understanding of the principles for designing and implementing out-of-class learning programmes. Ability to apply new pedagogical approaches and techniques observed during the job shadowing activity. Degree of integration of sustainability practices and environmental education principles. Development of professional competences (reflection, collaboration, innovation). Quality of knowledge transfer and dissemination to colleagues.

RECOGNITION OF LEARNING OUTCOMES

The participant's learning outcomes are recognised upon successful completion of the planned job shadowing activities, active participation in reflective discussions, and submission of required documentation. The sending organisation is responsible for the formal recognition process. A Europass Mobility document is issued as formal recognition of the learning experience. Documents for Recognition: -Host Organisation Evaluation Report and Certificate of attendance (Issued by: Host organisation, Recipient: Sending organisation and participant, Date: End of mobility week). -Learning Diary and Self-Assessment (Issued by: Participant, Recipient: Sending organisation, Date: Within one week after return). -Europass Mobility Document (Issued by: Sending organisation (validated by host), Recipient: Participant, Date: After completion of mobility and receipt of all reports). -Final Report to the National Agency (Issued by: Participant / Sending organisation, Recipient: National Agency, Date: According to NA deadline).

The undersigned organisations certify the validity and accuracy of the information contained in this document.
